3.7 CASH FLOW: ACTIVITY A

Read the case study below and answer the questions that follow.

APRIL CASH FLOW

Burton Inc. is a private limited company that specialises in producing a range of online teaching and learning resources for the IB Diploma.

Cash flow can be 'lumpy' with large sales to teachers when the new school year starts in August and September and then again to students in February-May when the IB examination period gets closer.

Table 1 shows the actual Cash Flow Forecast for Burton Inc., as estimated for the first four months of operation.
